How can we Help?
Autodesk Entrepreneur Impact Program
Help entrepreneurs imagine, design, and create a better world.
Program Criteria

- 5 years old or younger business
- 1-10 employees
- USD in annual revenue or less
- Positive social/environmental impact

Innovation Areas

- Energy
- Water
- Transportation
- Waste
- Agriculture
- Built Environment
- Health & Well-Being
- Marine
Program provides:

- Software
- Support
- Co-Marketing

We’ve helped early-stage companies:

- Showcase their innovations at events such as AU and Verge
- Exhibit in the permanent Autodesk Gallery
- Gain access to online tools, webinars, & meetups
- Expand their reach with articles in Wired, Fast Company
- Gain access to millions of customers via PR campaigns
